

PROPOSAL FROM THE BOARD TO UPDATE JJEU ORGANISATION STRUCTURE

(for 2015 General Assembly in Almere, Netherlands)

NEW STRUCTURE OF THE BOARD:

(please note: one of the vice-presidents will be also responsible as Treasurer)

A major part of decision making process and advisory services are also Athletes. At this point JJEU Board feels that one committee - JJIF Athletes Committee – is sufficient to cover this area as they have proven to be very active and correct. Defragmenting of this area is not worthwhile.
