Explanation

JJEU is hereby attesting that on the Board session in Gelsenkirchen, Germany, from October 3rd to 5th, among other things, calendar of activities for 2016 has been accepted. As JJIF has changed Statutes at the General Assembly in July 2015, JJEU Board has started to work on the JJEU Statutes to reach harmonization and follow new JJIF Statutes with objective to prepare updated legislative for 2016 JJEU General Assembly (electoral assembly) in Gent, Belgium.

In 2016 new JJEU Board will be elected on regular assembly as planned by the calendar - and after that committees etc. With aim to avoid complications and delays JJEU Board has decided to have first extraordinary GA to accept new Statutes which than the electoral GA in Gent will follow. Since October 2015 Board has working on the text of new (updated) statutes.

As we were monitoring and evaluating recent development in JJIF we have decided to meet again (JJEU Board) end of February before sending out text of proposal of updated JJEU Statutes.
