...more than a tournament...

A large group of people, including men, women, and children, are posing for a group photo in a gymnasium. Many are wearing white martial arts gi. They are all smiling and cheering, with some raising their hands. In the foreground, a man in a white gi is kneeling on the left, and a woman in a black top is kneeling in the center. A red sign with a yellow ribbon graphic is in the bottom right foreground. The background features a large screen and a banner with the event title and date. The European Union flag is visible in the top right corner.
