The transport cost depends on the size of the delegation and arrival/departure times and will be discussed with each delegation separately.

7. Right to participate and categories

Athletes must be presented and registered by their National Federation;

All competitors must have a **legal passport of the nation they represent in the championship** and sports passport of their respective nation!

Medical certificate is needed, not older than 12 months, certifying their fitness for competition.

Competitors that will reach the proper age in the present year (from 1.1 to 12.31) have the right of participation in the designated category (valid for fighting, duo and ne-waza systems).

Ju-jitsuka in class U15 Cadets 12/13/14 (year of birth 2004/2005/2006)
Ju-jitsuka in class U18 Aspirants 15/16/17 (year of birth 2001/2002/2003)
Ju-jitsuka in class U21 Juniors 18/19/20 (year of birth 1998/1999/2000)
Ju-jitsuka in class Seniors 21 and plus (year of birth 1997 or before)

PLEASE NOTE the decisions and explanations from the JJIF Technical Congress in St. Petersburg 2010, adopted by JJIF GA and JJIF Board:

- The age is considered according to the year of birth, not the actual birth date of the competitor
- The athlete can compete in one higher age category – goes for fighting, duo and ne-waza system (juniors can compete with seniors). However, a team (duo) made up of one Aspirant and one Junior can only compete in juniors, not also in seniors (the Aspirant, although member of a junior team, cannot jump over two age categories and compete with the seniors)!!
- If a competitor participates in the Duo competition, he/she is allowed to be part of a mixed couple and of a couple of his/her gender on the same tournament. The organizer will observe that the Duo men and women are scheduled for one competition day, while the mixed duo is scheduled for the other day.

Be aware that **Cadets (U15) are NOT allowed to compete in Aspirants (U18) category**, except for Cadets turning 14 years old in 2018, who are part of a team registered for the Duo system.

Control of entries and issuing of accreditation cards will take place at the sports hall, on Friday, October 19, 2018, during registration. At least one team official must attend in time to confirm the presence of all athletes and officials. The team official must be able to show all official documents and passports of all team members (copies are accepted).

An accreditation card shall be issued to all competitors, officials and crew members and should be carried at all times.

8. Competition fees

Ne-Waza system – European Cup - 40 €/competitor

Fighting system – Romanian Cup - 20 €/competitor

Duo system (Classic & Show) – Romanian Cup - 20 €/couple/system

The amounts must be paid to the Organizing Committee, at the latest, on the deadline indicated in the invitation. Late payments carry a 10 eur penalty/person and they must reach the account of the organizers before the moment of physical registration of the delegation, on Friday, October 19, 2018.

9. Judogi and protectors

All competitors must have and use judogi according with the JJEU and JJIF rules for official competitions (**white gi for all competition systems**).

Soft hand and foot protections in proper condition and color; mouthpiece and jockstrap are strongly recommended; chest protectors for female competitors are strongly recommended.

Starting with year 2016, the JJEU is using a different system for the **back numbers** used by athletes in the official JJEU competitions. The national federations purchase the special back numbers for the event, online, at the following link, from Ju-Sports, the premium sponsor of the JJEU

https://www.sportundspiel99.de/c99802203-JJEU_Back-numbers

The NF's are then responsible to give the back numbers to the athletes, so they can apply them to their gi's prior to the competition. The national federations must pay the back numbers for their athletes by themselves. Participating without an official back number is not allowed.

10. Advertising

Please observe the regulations of the JJIF as far as advertising on the Judogi is concerned. Please note that during the championship no numbers on the back of the Judogi are allowed, except as specified at point 9 above. Numbers on the back, from previous tournaments, must be removed from the Judogi.

11. Referees

Each country should provide referees, who must attend the briefing meeting on Friday afternoon.

Starting with the 2019 Ju-Jitsu European Championship for seniors and masters, the JJEU is going to use the CARE system (video-refereeing), as an official way of conducting the high-level European events. Therefore, education must be provided to all interested referees. **A CARE-system training seminar will be offered to all referees participating in the European Ne-Waza Cup, free of charge, on Friday, October 19, 2018.**

If the number of international referees will not be enough, the organizing federation will invite its national referees to attend the European Ne-Waza Cup.

12. Rules and draw

- JJIF Competition Rules, Organization and Sporting Code of JJIF. We make an appeal to all participants to respect fair-play and JJIF Book of Ethics! (see www.jjif.org);
- Competition organized by table with all participants getting a second chance;
- Computer program, approved by JJEU/JJIF;
- Draw will be made by JJEU Sport Director and responsible official from the National Federation, together with the IT specialist;
- The draw will be done on Friday for both the European Ne-Waza Cup and the Romanian Cup of Fighting & Duo, and it is final!
- If a competitor will not have the correct weight at weighing – or the birth dates are not correct - he/she will stay in a pool/table but will automatically lose the match – no change will be made to the draw and no refund because of not fulfilling conditions for participation when already registered. **There will be no second draw.**
- General mistakes discovered at the draw can be corrected by JJEU officials (such as wrong name, persons with similar names put in wrong categories etc.).

13. Appeal Committee of the Event

The Appeal Committee of the Event is composed of 3 persons (1 from the local organizing committee), appointed by the JJEU Board. Any member of the Appeal Committee is to be excluded from making any decisions if the participant involved is from the same country.

An appeal fee of 200 EUR must be paid to the JJEU Treasurer before the appeal is filed (this amount will be returned if appeal is successful).

Appeal must be filed immediately after the situation occurs (a verbal announcement and filed on paper), so the organizer may halt the competition to prevent the appealed situation from continuing. The decision of the Appeal Committee is final.

14. Anti-doping Control

All members should make their competitors aware that there could be a doping control for several athletes in fighting or duo system.

If you have entered in the European Championship and are taking any medication or plan to take any medication, please check with your doctor whether your medication contains any substances on WADA's 2018 Prohibited List (<https://www.wada-ama.org/en/prohibited-list>).

You will need a Therapeutic Use Exemption (TUE), if it does. JJEU/JJIF automatically recognizes all TUEs issued by National Anti-Doping Organizations (NADOs), so please contact your NADO if you need a TUE and do not already have one.

15. Trophies

- At the end of the competition there will be a trophy for the best three countries, for the European Ne-Waza Cup
- At the end of the competition there will be a trophy for the best three delegations (countries or clubs), for the Romanian Cup in Duo & Fighting;
- First three in each category receive a medal;
- Special trophies may be awarded.

16. Liability

Neither the organizers of the event, nor the National Federation (or any of its officials

or members) will be liable or responsible for any personal injury nor for any loss or damage to any property arising out of participations and travelling in connection with this championship.

Coaches and team leader are responsible to make sure that all participants are physically fit, prepared and capable to cope with championship.

17. Dress code

Coaches accompanying the athletes to the tatami will wear the national team track suit with sports shoes (closed). For the finals, formal clothes (with jacket) are recommended.

Athletes on the podium will wear the white competition gi, without any additional materials on their persons (flags, religious symbols, bottles of water, slippers etc.), according to SportAccord guidelines.

18. Flags and Anthems

Don't forget to check the flag and anthem of your country with the organizer when you arrive. We suggest that you bring with you your national anthem (short version) to avoid any possible problem.
