Overall situation: All countries in Europe are still struggling with the fight against Covid-19, in some countries its allowed to train in small setup, some countries have facilities arranged for their TOP athletes, but most of the countries are still not able to train beside some physical trainings.

- Protocol during Covid-19 and European Championships in Israel

JJEU President mister Robert Perc and Israel Federation President mister Erez Alroy informed the meeting about the current situation.

Israel, coming host of the Europeans Adults summarized their progress in their fight against Covid-19 by Mister Erez Alroy, president of the Israelian Federation:

- The situation in Israel is going better and better per day. At this moment, Sunday 28th of March 2021, more than 60% of the people living in Israel is vaccinated. The overall population of people with Covid-19 is going down, its in line with the vaccination strategy. In the week of March 8 the Government will re-open the airports also.
- Questions during the meeting: Who will pay for the needed tests (Antigen test), Mister Alroy answered that the Israelian organizers will take care of this.
- JJEU board and directors, JJIF Medical Commission and Israelian are working on a Covid protocol which has to be followed during the Europeans. Because of the change by day of the situation in this pandemic the Protocol is a document which will be changed according the latest information we receive from WHO, JJIF and other authorities.
- JJEU have a working group, which is preparing a protocol how to organize a event during this pandemic situation. In this working group representatives of athletes commission, a coach, a well experienced medical budo specialist, the referee director, the sport director, JJEU board and a representative of FFJudo are preparing and fine tuning this protocol.

Mister Robert Perc and General Secretary Rick Frowyn are aware that there is a must to run the Europeans this year. JJEU board and directors are aware that it will be very hard to prepare athletes, coaches and of course referees to be fit if there are NO JuJitsu events before the Europeans. Mister Didier Menu, representative of France was not able at this moment to inform the meeting about the current status of the Paris Open Grand Slam. JJEU board is not aware of any other planned events beside the Europa CUP for DUO, which is for now planned for June 19th 2021 at Medemblik.

- Possible need to change date of EC Adults. (opinion of members needed)

Mister Robert Perc opened the discussion about a possible need to change the Europeans Adults. In the chat we received the next questions also:

Robert HORAK : Masters in Israel? u21 allowed up to adults? :Dana Mortelmans : Definitely no masters U21 allowed to adults, according to JJIF rules.

Stefan Vukotic : What will happen to the e tournament scheduled for March 21st? Dana Mortelmans: That is a JJIF online event which will take place according to the invitation

Jimmy Wouters: Robert can I concern the 2e location ?/ question. Claus Tobiasen : Good point Jimmy Robert Perc: The situation in Israel changes every day, positive. But of course JJEU board is also looking for alternative hosts for the Europeans Adults in Europe. We are not sure if all federations are allowed and able to fly, but as mentioned by Mister Alroy; airport will be opened soon.

Robert HORAK : Deadline Date Israel yes/no ? Robert Perc: JJEU board will decide at the end of March. Claus Tobiasen : July will because of holidays season be much more expensive to travel. Robert Perc: Which holiday Season? This year and last year are crazy years, can we be sure we can have a holiday this year? So its very hard to conclude that we will have a serious Summer season holiday period.

Joris Kuger (SUI) : Which competitions will/ could be held before the European Championships in order to prepare the athletes properly? Rick Frowyn: At this moment we did not receive any requests or confirmations of International events. JJEU have for now only Europa CUP in DUO in agenda.

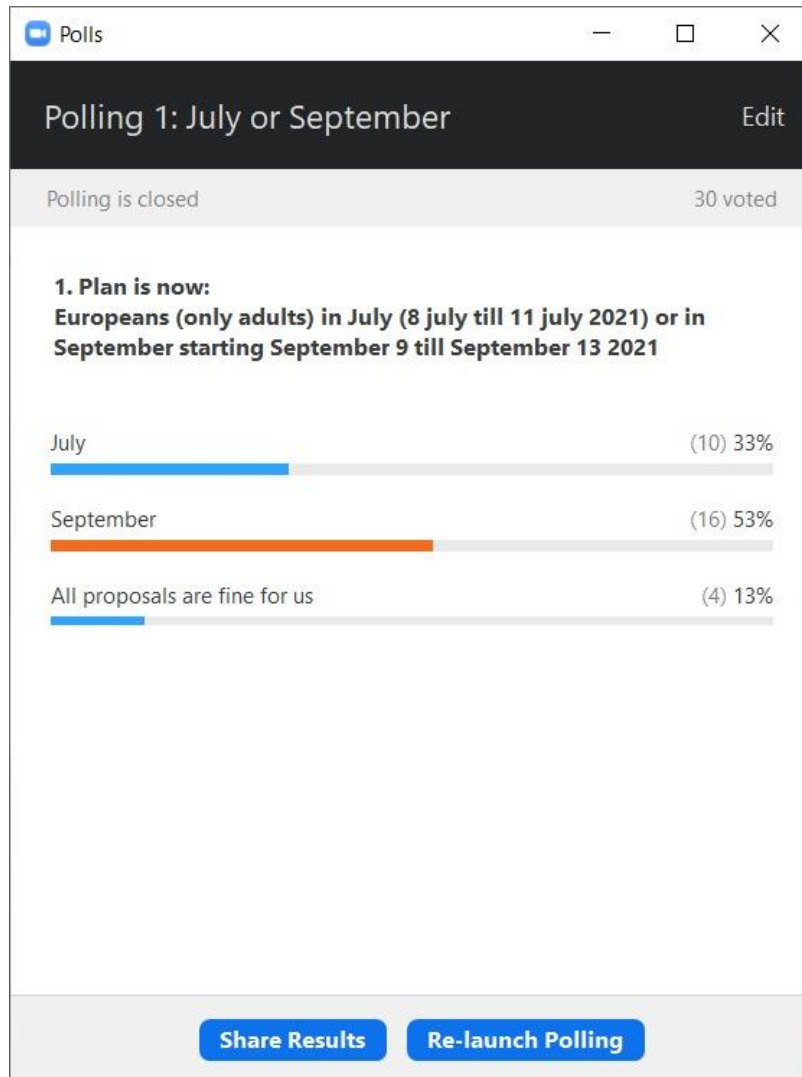

BUNYAMİN ER Turkey : what is the decision about World Chp's. Answer by: Robert Perc, the World Championships are still on schedule in November. But JJEU is not the authority to decide about this

event. JJIF will make communication when necessary. Jimmy Wouters: its 2 championships prime in 2 moths..

After the open discussion of the coming Europeans Rick Frowyn published a prepared Poll. The questions was:

Europeans Adults in July 2021 or September 2021. The outcome is:

Based on this result and awaiting the situation in Israel JJEU board announced they will make a decision at the end of March 2021. After this meeting JJEU board will inform their members so preparation can be started with enough time. Of course nothing is sure, due to the fact of the random change of the Virus nobody can assure that what ever decision which will be made by the board can be followed up for 100%.

At 16.25 Mister Robert Perc, President of JIEU closed the meeting and likes to thank all participants of this meeting a lot.
