Welcome from JJEU President

Dear Sport Friends!

It gives me great pleasure to welcome you on behalf of the JJEU Board to the European Championship for Aspirants and Juniors 2018 in Fighting, Duo and Ne-Waza in Bologna, Italy. The European Championships bring together more and more athletes, demonstrating increasing technical skills, but also proving that sport is a way of making friendship, building relations and attesting Martial Arts budo values.

In the last two years, our calendar of activities is getting bigger and bigger, yet every event is organised on a higher level than the previous one. This brings optimism in our long-term goal to become Olympic. We cannot attest for other sports, but, for sure, ju-jitsu is a way of life, built on ethics and fair play. The legacy of more than 40 years from the establishment of the European Ju-Jitsu Federation, predecessor of JJIF and our JJEU, is rich in personal achievements and our joint efforts to increase the quality and number of events and participants. And, again, the biggest value of being part of this family is a feeling of being among friends.

To all of you, young athletes, we wish you good results and a good time in Italy. To coaches, referees and officials (and all parents and supporters), we hope you will spend a nice and quality time in the region, but, as well, that you will take home nice and enjoyable memories.

We are confident the organiser will do, and is doing, the best to organise a great event. Last, but not least, we give our compliments to all volunteers out there, for helping and providing conditions for the event – without you, this championship (as many others before and many others following) could not run in the desired direction.

Your faithfully,

Robert Perc
JJEU President

Welcome from FJJI

Dear Board Members of JJEU and JJIF

Dear Presidents

Dear Friends,

It is a great honour for me and for all our community and federation to send a good welcome to all of you in one of the most fantastic and famous places in the world, where you can feel the Italian spirit and passion every second in all places in all moments during the day.

After the European Championship in 1990 and after the first JJIF World Championship organized in 1994, we are back after 24 years with another big event: the 2018 European Championship U18-U21. Bologna and all Emilia Romagna is also one of the most active regions in Italy for the Ju Jitsu disciplines; we are happy to have as an active partner the CSR Ju Jitsu Italia, the historical sport educational centre of Italy. CSR in more than 44 years has created thousands of Jitsuka, trainers, champions, amateurs promoting the Ju-Jitsu discipline in the different styles and disciplines all around Italy and around the world.

The choice of Calderara di Reno Bologna and Emilia Romagna will be a starting point for a long term of international exchange for development, integration, social program and multicultural activities.

This European Championship is linked to the figure of our friend Antonio Benini, the most representative example for all of us: harmony, passion, friendship, love; for this reason we want to give a message to all of you and something more than "made in Italy".

Passion, Love, Friendships and feel like home in perfect Italian style. We wait you.

6. Hotels under responsibility of FJJI

The organizer is providing one main official hotel for all delegations, in order to facilitate the meetings, the registration and weigh-in of all athletes, as well as reasonable package prices for all participants.

All official meetings and the Gala Dinner/Party will take place in the main official hotel.

The Official Hotels provided by Italian Ju Jitsu Federation are:

Meeting Hotel (main official), Amadeus Hotel and Airport Hotel.

There will be the possibility to have the Lunch and Dinner in the Sports Hall, but only for the federations (athletes and staff) who booked full board.

7. How to reach the locality

BOLOGNA AIRPORT - Marconi International Airport

Bologna Railway Station

By car, using the motorway until Bologna Arcoveggio exit, and then orbital road to Calderara.

(NB: the distance from Airport to the Sport Venue and Official Hotel is **6 km**)

8. Transport under responsibility of FJJ

The OC has arranged transport from the International Airport to the official Hotels (the distance to the venue is 6 km), for all participants who are placed in the official hotel, and also from hotels to the sports hall and, finally, back to the airport.

For the first group priority reservation in Hotel Meeting the transportation will be only from Airport to Hotel and from Hotel to the Airport without cost. Meeting Hotel is connected with sports hall.

Please contact the organizers concerning arrivals and provide them with exact information about your arrival and departure (means of transport, time and date of arrival, flight number etc.), so they can organize everything on time.

9. Right to participate and categories

Athletes must be presented and registered by their National Federation;

Following 2010 JJIF TC and GA decision: **max 2 persons per category** are allowed.

All competitors must have a legal passport of the nation they represent in the championship and sports passport of their respective nation.

Medical certificate is needed, not older than 12 months, certifying their fitness for competition.

Competitors that will reach the proper age in the present year (from 1.1 to 12.31) have the right of participation in the designated category (valid for fighting, duo and Ne-Waza systems).

Ju-Jitsuka in class Aspirants 15/16/17 (year of birth 2001/2002/2003)

Ju-Jitsuka in class Juniors 18/19/20 (year of birth 1998/1999/2000)

Athletes born in 2004 can participate in the tournament, if they are part of a Duo team registered for the U18 age category.

PLEASE NOTE the decisions and explanations from the JJIF Technical Congress in St. Petersburg 2010, adopted by JJIF GA and JJIF Board:

- The age is considered according to the year of birth, not the actual birth date of the competitor
- The athlete can compete in one higher age category – goes for fighting, duo and ne-waza system (juniors can compete with seniors). However, a team (duo) made up of one Aspirant and one Junior can only

compete in juniors, not also in seniors (the Aspirant, although member of a junior team, cannot jump over two age categories and compete with the seniors)

- If a competitor participates in the Duo competition, he/she is allowed to be part of a mixed couple and of a couple of his/her gender on the same tournament. The organizer will observe that the Duo men and women are scheduled for one competition day, while the mixed duo is scheduled for the other day.

Control of entries and issuing of accreditation cards will take place at the official hotel on Thursday, October 25th, 2018, during registration. At least one team official must attend in time to confirm the presence of all athletes and officials. The team official must be able to show all official documents and passports of all team members (copies are accepted).

Accreditations for coaches will be available at the draw and the coach meeting on Thursday.

An accreditation card shall be issued to all competitors, officials and crew members and should be carried at all times.

10. Competition Fees

Fighting System - 60 €/competitor

Duo System (Classic & Show) - 60 €/couple/system

Ne-Waza System - 60 €/competitor

The amounts must be paid to the Organizing Committee, at the latest, on the deadline indicated in the invitation.

11. Judogi and Protectors

All competitors must have and use judogi according with the JJEU and JJIF rules for official competitions (white GI for all competition systems).

Soft hand and foot protections in proper color; mouthpiece and jockstrap are strongly recommended; chest protectors for female competitors are strongly recommended.

Starting with year 2016, the JJEU is using a different system for the back numbers used by athletes in the official JJEU competitions. The national federations purchase the special back numbers for the event, online, at the following link, from Ju-Sports, the master supply sponsor of the JJEU

https://www.sportundspiel99.de/c99802203-JJEU_Back-numbers

The NF's are then responsible to give the back numbers to the athletes, so they can apply them to their GI's prior to the competition. The national federations must pay the back numbers for their athletes by themselves. Participating without an official back number is not allowed.

12. Advertising

Please observe the regulations of the JJIF as far as advertising on the Judogi is concerned. Please note that during the championship no numbers on the back of the Judogi are allowed, except as specified at point 9 above. Numbers on the back, from previous tournaments, must be removed from the Judogi.

13. Referees

Each country should provide minimum 1 referee for up to 10 participants, 2 referees for up to 20 participants, and 3 referees for 20 participants and more.

Referees must attend the referee meeting on Thursday afternoon. To attend the meeting is compulsory for all referees. During the referee meeting time will be spent on the VIDEO system usage. Referees must follow the referee dress code: white shirt must have short sleeves, dark grey/anthracite trousers no jeans allowed,, no shoes allowed, only black (2 pairs) allowed.

Neither the organizing committee nor the JJEU will be responsible for not respecting this obligation. However, if there won't be enough referees for the competition to take place in good conditions, JJEU may decide to complement the pool of referees with national referees of the organizing federation decided by JJEU Referee Committee.

14. Rules and draws

- JJIF Competition Rules, Organization and Sporting Code of JJIF. We make an appeal to all participants to respect fair-play and JJIF Book of Ethics (actual competition rules are provided also on the official web site of JJEU www.jjeu.eu)
- Competition organized by table with all participants getting a second chance;
- Computer program, approved by JJEU/JJIF;

- Draw will be made by JJEU Sport Director and responsible official from the National Federation, together with the IT specialist;
- The draw will be done on Thursday for all competition days and it is final
- If a competitor will not have the correct weight at weighing or the birth dates are not correct he/she will stay in a pool/table but will automatically lose the match no change will be made to the draw and no refund because of not fulfilling conditions for participation when already registered. There will be no second draw.
- General mistakes discovered at the draw can be corrected by JJIF officials (such as wrong name, persons with similar names put in wrong categories etc.).
- Champions from the previous championship may not be in the same pool (if that is indicated at the draw).

15. Appeal Committee

The Appeal Committee of the Event is composed of 3 persons (1 from the local organizing committee), appointed by the JJEU Board. Any member of the Appeal Committee is to be excluded from making any decisions if the participant involved is from the same country.

An appeal fee of 200€ must be paid to the JJEU Treasurer before the appeal is filed (this amount will be returned if appeal is successful).

Appeal must be filed immediately after the situation occurs (a verbal announcement and filed on paper), so the organizer may halt the competition to prevent the appealed situation from continuing. The decision of the Appeal Committee is final.

16. Antidoping Control

All members should make their competitors aware that there could be a doping control for several athletes in fighting or duo system.

If you have entered in the European Championship and are taking any medication or plan to take any medication, please check with your doctor whether your medication contains any substances on WADA's 2018 Prohibited List (<https://www.wada-ama.org/en/prohibited-list>).

You will need a Therapeutic Use Exemption (TUE), if it does. JJEU/JJIF automatically recognizes all TUEs issued by National Anti-Doping Organizations (NADOs), so please contact your NADO if you need a TUE and do not already have one.

If you have any difficulty in applying for a TUE through your NADO or there is no NADO in your country, please contact the JJIF General Manager, Commission for Doping-Free Sport, info@jjif.org

17. Trophies

- At the end of the competition there will be a trophy for the best three countries, in the overall competition (Duo + Fighting + Ne-Waza);
- First three in each category receive a medal;
- The Fair Play Trophy and other special trophies will be awarded.

18. Liabilities

Neither the organizers of the event, nor the National Federation (or any of its officials or members) will be liable or responsible for any personal injury nor for any loss or damage to any property arising out of participations and travelling in connection with this championship.

Coaches and team leader are responsible to make sure that all participants are physically fit, prepared and capable to cope with championship.
