9. Competition uniform and back numbers

All competitors must have and use judogi according with the JJEU and JJIF rules for official competitions (**white gi for all competition systems**).

Soft hand and foot protections in proper colour; mouthpiece and jockstrap are strongly recommended; chest protectors for female competitors are strongly recommended.

Starting with year 2016, the JJEU is using a different system for the **back numbers** used by athletes in the official JJEU competitions. The national federations purchase the special back

numbers for the event, online, at the following link, from Ju-Sports, the premium sponsor of the JJEU

https://www.sportundspiel99.de/c99802203-JJEU_Back-numbers

The NF's are then responsible to give the back numbers to the athletes, so they can apply them to their gi's prior to the competition. The national federations must pay the back numbers for their athletes by themselves. Participating without an official back number is not allowed.

10. Advertising

Please observe the regulations of the JJIF as far as advertising on the Judogi is concerned. Please note that during the championship no numbers on the back of the Judogi are allowed, except as specified at point 9 above. Numbers on the back, from previous tournaments, must be removed from the Judogi.

11. Referees

Each country should provide minimum 1 referee for up to 10 participants, 2 for up to 20 participants, and 3 for 21 participants and more. 800€ fees will be requested for not having the right number of referees and collected by the organizer/JJEU Treasurer on the spot (conditioned for participation before the draw). This rule doesn't apply to new members during the first 3 years. The list of qualified referees for the Adults competition will be published by the JJEU Referee Committee.

Each country should provide referees for the Masters competition, holders of minimum National License.

Referees should attend the briefing meeting on Thursday afternoon.

Neither the organizing committee nor the JJEU will be responsible for not respecting this obligation! However, if there won't be enough referees for the competition to take place in good conditions, JJEU may decide to complement the pool of referees with national referees of the organizing federation –decided by JJEU Referee Committee.

12. Rules and draw

- JJIF Competition Rules, Organization and Sporting Code of JJIF. We make an appeal to all participants to respect fair-play and JJIF Book of Ethics! (*actual competition rules are provided also on the official web site of JJEU www.jjeu.eu and of JJIF www.jjif.org*);
- Competition organized by table with all participants getting a second chance;
- SportData software, approved by JJEU/JJIF, used for, draw/seeding and running the competition;
- SportsID software, approved by JJEU/JJIF, used for registration;
- Draw will be made by the JJEU Sport Director and the responsible official from the

National Federation, together with the IT specialist;

- The draw will be done on Thursday for all competition days and it is final!
- If a competitor will not have the correct weight at weighing – or the birth dates are not correct -, he/she will stay in a pool/table but will automatically lose the match. No change will be made to the draw and no refund will be granted because of not fulfilling conditions for participation when already registered. **There will be no second draw.**
- General mistakes discovered at the draw can be corrected by JJEU officials (such as wrong name, persons with similar names put in wrong categories etc.).
- Seeding regulations of the JJIF will be observed.

13. Appeal

The Appeal Committee of the Event is composed of 3 persons (1 from the local organizing committee), appointed by the JJEU Board. Any member of the Appeal Committee is to be excluded from making any decisions if the participant involved is from the same country.

The Appeal procedure adopted by the JJIF Congress in November 2018 is applicable.

14. Anti-doping Control

All members should make their competitors aware that there could be a doping control for several athletes in fighting or duo system.

If you have entered in the European Championship and are taking any medication or plan to take any medication, please check with your doctor whether your medication contains any substances on WADA's 2019 Prohibited List (<https://www.wada-ama.org/en/prohibited-list>).

You will need a Therapeutic Use Exemption (TUE), if it does. JJEU/JJIF automatically recognizes all TUEs issued by National Anti-Doping Organizations (NADOs), so please contact your NADO if you need a TUE and do not already have one.

If you have any difficulty in applying for a TUE through your NADO or there is no NADO in your country, please contact the Independent Testing Authority (ITA) under the IOC (jjif@ita.sport).

15. Trophies

- At the end of the competition there will be a trophy for the best three countries, in the overall competition (Fighting + Ne-Waza + Duo + Show);
- First three in each category receive a medal;
- The Fair-Play Trophy and other special trophies will be awarded.

16. Liability

Neither the organizers of the event, nor the National Federation (or any of its officials or members) will be liable or responsible for any personal injury nor for any loss or damage to any property arising out of participations and travelling in connection with this championship.

Coaches and team leader are responsible to make sure that all participants are physically fit, prepared and capable to cope with championship.

17. Dress code
