**FOREWORD BY THE ORGANISATION**

Dear Friends,

It is our pleasure to invite your team to participate in our second Dutch Open and the very first Europa Cup under 14 and 16 to be held on the 11th and 12<sup>th</sup> of May in the city of Amersfoort, the Netherlands.

Our foundation **Budo Sport Promotie Gooi- en Eemland** will serve as a host for this great event. We look forward to a very competitive experience in May!

Our goal is to give our local competitors a chance to go up against the world's best players. By bringing world class athletes, it gives the chance for our country to see how these athletes perform in real life.

I would like to use this opportunity to thank the JJEU organisation, its president, and its co-workers and colleagues, for their support and to explore Ju Jitsu on a higher level of confidence.

---

*You can make the impossible happen... AGAIN*

Since the **ALS Ice Bucket Challenge** soaked the world four years ago, something has become clear for our federation: Ju Jitsu and this tournament is an excellent platform for raising awareness and funds to fight ALS! **Every Drop Adds Up** builds on the idea that when people come together, we can make the impossible happen.

The fight for defeating ALS is a good way to unite and raise funds for those living with ALS.

Sincerely,

**Jeffrey Bok**

*Chairman Stichting Budo Promotie Gooi- & Eemland*

**FOREWORD BY THE JJEU GENERAL SECRETARY**

Dear Budo friends,

Following the year 2018 JJIF changes, the European Cup for U15 is changed, this year, 2019 we will run the new format and instead of 1 category we will run a European Cup in 2 age categories, under 14 years and under 16 years old youth athletes. Participating in a youth competition like a Europa Cup is a good opportunity for the clubs to see if their development plan is still according their wishes.

As one of the board members of JJEU and also being a Dutchman I am proud to host this great event for the 2nd time in Amersfoort the Netherlands. Together with the Dutch Open in Ju Jitsu for all the other ages we can confirm that again another great Ju Jitsu weekend with lots of friendship and fairplay is something to look forward to.

I wish all the visitors of this weekend a lot of success and happiness, may the best athletes win.

**Rick Frowyn**

*General Secretary JJEU*

## VENUE

FIT ACADEMIE BOKKEDUINEN

SPORTPARK BOKKEDUINEN 11, 3819 BD AMERSFOORT, THE NETHERLANDS

Fit Academy Bokkeduinen is a multifunctional sports venue where college also offers education in operation. The uniqueness of The Sport Academy is our interdisciplinary approach that connects academics with real-life work in sports. In addition to a full complement of regular prescribed courses that include advanced placement, students take introductory classes in sports media, marketing, journalism, broadcasting, event planning, technology, business and operations. The learning environment is not limited to a four-wall structure. Rather, it extends to the community, to sport industry facilities, as well as to the classroom. Sport management continues to be the flagship of the curriculum for students and professionals drawn to our school. While students have as their focus the athletic side of this discipline, our professional and community partners have business and theoretical applications and practices as theirs. Since inception, the mission has been to wed the excitement students have for sport to the practical business side of sport - which does not involve throwing, rolling, catching, hitting, or dunking a ball.

Soft hand- and foot protections in proper colour; mouthpiece and jockstrap are strongly recommended; chest protectors for female competitors are strongly recommended.

Starting with year 2016, the JJEU is using a different system for the **back numbers** used by athletes in the official JJEU competitions. The national federations purchase the special back numbers for the event via the link [https://www.sportundspiel99.de/c99802203-JJEU\\_Back-numbers](https://www.sportundspiel99.de/c99802203-JJEU_Back-numbers), from Ju-Sports, the premium sponsor of the JJEU

The NF's are responsible to give the back numbers to the athletes, so they can apply them to their gi's prior to the competition. The national federations must pay the back numbers for their athletes by themselves. Participating without an official back number is not allowed.

## ADVERTISING

Please observe the regulations of the JJIF as far as advertising on the Judogi is concerned. Please note that during the championship no numbers on the back of the Judogi are allowed, except as specified above. Numbers on the back, from previous tournaments, must be removed from the Judogi. See [http://www.jjif.info/fileadmin/documents/Competition-Ranking/Sponsorareas\\_Patches\\_Gi.pdf](http://www.jjif.info/fileadmin/documents/Competition-Ranking/Sponsorareas_Patches_Gi.pdf) for a complete overview of the rules.

## REFEREES FOR EUROPA CUP U14 AND U16

Each country should provide minimum 1 referee for up to 10 participants, 2 for up to 20 participants, and 3 for 21 participants and more. An € 800 fee will be requested for not having the right number of referees and collected by the JJEU organisation on the spot (conditioned for participation before the draw). This rule doesn't apply to new members during the first 3 years. This rule only applies for the Europa Cup U14/U16 and not for the Dutch Open.

Referees should attend the briefing meeting on 11<sup>th</sup> of May at 08:00 AM.

Neither the organising committee nor the JJEU will be responsible for not respecting this obligation! However, if there won't be enough referees for the competition to take place in good conditions, JJEU may decide to complement the pool of referees with national referees of the organising federation – decided by JJEU Referee Committee.
