The organizer will observe that the Duo men and women are scheduled for one competition day, while the mixed duo is scheduled for the other day. The same is valid for the Show system.

8. Competition fees

Adults:

Fighting system – € 150/competitor
Jiu-Jitsu Ne-Waza system - € 150/competitor
Duo system – € 150 /couple/system
Show system – € 150/couple/system
(€ 60 competition fee, € 85 referee fee, € 10 Anti-doping control fee)

The amounts must be paid to the Organizing Committee, at the latest, on the deadline indicated in the invitation. Late payments carry a € 10 penalty/person and they must reach the account of the organizers before the moment of physical registration in the official hotel.

9. Competition uniform and back numbers

All competitors must have and use judogi according with the JJEU and JJIF rules for official competitions (**white GI for all competition systems**).

Soft hand and foot protections in proper color; mouthpiece and jockstrap are strongly recommended; chest protectors for female competitors are strongly recommended.

Starting with year 2016, the JJEU is using a different system for the **back numbers** used by athletes in the official JJEU competitions. The national federations purchase the special back numbers for the event, online, at the following link, from Ju-Sports, the premium sponsor of the JJEU

https://www.sportundspiel99.de/c99802203-JJEU_Back-numbers

The NF's are then responsible to give the back numbers to the athletes, so they can apply them to their gi's prior to the competition. The national federations must pay the back numbers for their athletes by themselves. Participating without an official back number is not allowed.

10. Advertising

Please observe the regulations of the JJIF as far as advertising on the Judogi is concerned. Please note that during the championship no numbers on the back of the Judogi are allowed, except as specified at point 9 above. Numbers on the back, from previous tournaments, must be removed from the Judogi.

11. Referees

For the upcoming European Championship in Israel Nahariya the JJEU and Israelian Federation will be able to provide some compensation to the selected referees in terms of travel and accommodation.

The JJEU Board and JJEU Referee Committee is entrusted the task to select the qualified referees for the event.

The Referee Committee shall after closure of the registration and testing dates inform which of the available referees are qualified to be a referee at the event. In previous events the qualified list was prepared before registration, but we have faced a lot of missing referees so organization of referee work was harder as it could be. Now we want to see who off the licensed referees are able to travel to allow better selection and organisation of referee group before the event.

12. Rules and draw

- JJIF Competition Rules, Organization and Sporting Code of JJIF. We make an appeal to all participants to respect fair-play and JJIF Book of Ethics! (*actual competition rules are provided also on the official web site of JJEU www.jjeu.eu and of JJIF www.jjif.org*);
- Competition organized by table with all participants getting a second chance;
- SportData software, approved by JJEU/JJIF, used for, draw/seeding and running the competition;
- SportsID software, approved by JJEU/JJIF, used for registration;
- Draw will be made by the JJEU Sport Director and the responsible official from the National Federation, together with the IT specialist;
- The draw will be done on Thursday for all competition days and it is final!
- If a competitor will not have the correct weight at weighing – or the birth dates are not correct -, he/she will stay in a pool/table but will automatically lose the match. No change will be made to the draw and no refund will be granted because of not fulfilling conditions for participation when already registered. **There will be no second draw.**
- General mistakes discovered at the draw can be corrected by JJEU officials (such as wrong name, persons with similar names put in wrong categories etc.).
- Seeding regulations of the JJIF will be observed.

13. Appeal

The Appeal Committee of the Event is composed of 3 persons (1 from the local organizing committee), appointed by the JJEU Board. Any member of the Appeal Committee is to be excluded from making any decisions if the participant involved is from the same country.

The Appeal procedure adopted by the JJIF Congress in November 2018 is applicable.
