1. Opening words

a. Welcome by Russian Ju Jitsu Federation (RJF)

Dear Friends!

I cannot help but express my admiration for the truly outstanding decision of the European community of the ju-jitsu fans to hold the European Championship 2021 in Russia's most European city St. Petersburg. I am glad and encouraged to welcome all the participants of the brilliant European tournament in the Northern Capital of Russia!

I am sure that the appearance and atmosphere of St. Petersburg will be a source of inspiration for our boys and girls in demonstrating beautiful and expressive performances on tatami, will be filled the courage fights, beauty and nobility. The Russian Federation of Ju-Jitsu will be happy to provide the European tournament with decent conditions, saturate the competition program with interesting and memorable events, make the mood of all our guests festive and cheerful!

We are confident that the experience gained during the competition will serve to further develop our favourite sport, strengthen professional relations between specialists and coaches, and increase the popularity of jiu-jitsu on the European continent. After all, nothing strengthens or enriches relationships more than one exciting work in common!

We look forward to the opening of the European Championship 2021! Welcome to St. Petersburg!

Kind regards,

The president Mister Sergey Zavyalov

b. Welcome by JJEU board.

Dear athletes, coaches, referees, dear friends!

We are pleased to welcome you to the 2021 European Championship for Youth, hosted by the Russian JuJitsu Federation (RJF).

Dear all. This event will take place after a year of tremendous challenges and sacrifices which impact caused by the pandemic, and we cannot yet fully measure. Presently it will impact our event with certain safety protocols in place to make sure we will have a safe event and that we will come home safe and healthy.

We are aware that a year without international events and proper top-level training (of athletes and referees) might have consequences. Some clubs and federations were able to do more, some less. But somehow, everyone was and is affected. We try to adapt to online events and training, but we all know there is no better training than the one on the mat with a sparring partner. May the best win, have fun, be sportive and enjoy to be back on the Tatami.

Welcome to the JJEU European Youth Championship 2021 in St. Petersburg, Russia.
