★ ONLINE COACH
MEETING

ABOUT TODAY

Welcome by General Secretary of JJEU Mister Rick Frowyn
and by
Miss dr. Claudia Behnke DJJV.

Agenda by Mister Rick Frowyn:

- Protocol explanation regarding the Europeans 2021 for coaches
 - Only 1 coach per athlete/DUO team allowed
 - Not following the Covid protocol can cause in home sending
 - Rules and restriction ordered by JJEU, Government and medics

Agenda by Miss Dr. Claudia Behnke

- General measures
- Entering Germany
- Entering the competition

COACHING IN MAINTAL

Coaching in Maintal will be different as we are all used to.

- JJEU, DJJV and the Budo Club Maintal MUST follow for 100% the restrictions given by the Government, this means:
 - Only 1 coach allowed per athlete or DUO team
 - No medics or officials will be accepted in the sport-hal
 - Coaches have to where a FFP2 mask, all times in the sport-hall. Also during coaching you have to wear your mask.
 - Having a complain about a decision can be showed by waving with the COACH accreditation card.
 - Never come to the secretary desk. Stay in your chair.

COACHING IN MAINTAL

Penalties by not following the protocol can cause serious damage to our community.

- JJEU, DJJV and the Budo Club Maintal MUST follow for 100% the restrictions given by the Government, because not following the rules can end in sending away from the event
 - Not following the Government rules and restrictions can cause in a fine of € 500,00
 - Example, the government made a very strict restriction in the maximum amount of people inside the hall, we have a strict maximum
 - This is including all people, like Medics, Staff, Table crew, Security, Athletes, Coaches and more. There fore we can only accept 1 (one) coach per athlete/duo team.

ANTI-COVID MEASURES

General Measures

Entering Germany

Entering the competition

NOC GUIDELINES

https://cdn.dosb.de/2021/DOSB_Hygiene_Guidelines_ENG.pdf

1. BASIC REGULATIONS

"Hands. Face. Space. Ventilate."

Wash your **hands** regularly for at least 20 seconds and apply strict hygiene measures.

1.1 **Protective mask**
Note the different requirements for protective masks

5. INFRASTRUCTURAL MEASURES

5.1 **Entry**

Observe admission rules under current legislation

Set up hygiene stations at all entrances

Ask travel and health questions upon admission

Check stored data upon admission

Stagger admission in specified time slots

5.2 **Signage and routing**

Clearly display the rules

Ensure compliance with social distancing rules through visible routing

Use separate entrance and exit areas

Wear a protective mask and follow social distancing rules until leaving the grounds

5.3 **Zoning**

Divide venue into different zones

Define number of people allowed in each zone size

5.4 **Spectator seating**

Allocate reserved seating to each spectator

Avoid cramped spaces and standing areas

5.5 **Contact regulations and restrictions**

Minimise rotation of personnel between zones

5.6 **Hygiene**

Use sanitary facilities according to "Hands. Face. Space. Ventilate" rules

Create cleaning plan

5.7 **Ventilation**

HYGIENE GUIDELINES

General Recommendations of the German Olympic Sports Confederation

2. STANDARDS FOR ATHLETES

2.1 **Arrival**

Answer health and travel questions in advance

Avoid carpooling for the time being

Observe hygiene rules on public transport

Observe hygiene rules on the team bus

2.3 **Venue**

Use a separate entrance

Deny access to people with symptoms

Wear a protective mask and follow social distancing rules

Only allow people to enter after providing information

Digitise documents and the accreditation process

Send contact recommendations to athletes

2.2 **Accommodation**

Observe the national guidelines for hotel accommodation

Do not use private accommodation in groups

EXAMPLE COVID RULES

Wash your **hands** regularly for at least 20 seconds and apply strict hygiene measures

Prevent the spread of infection by covering your **face** with a protective mask

Allow enough **space** between yourself and others, at a distance of at least 1.5 meters

ENTERING GERMANY

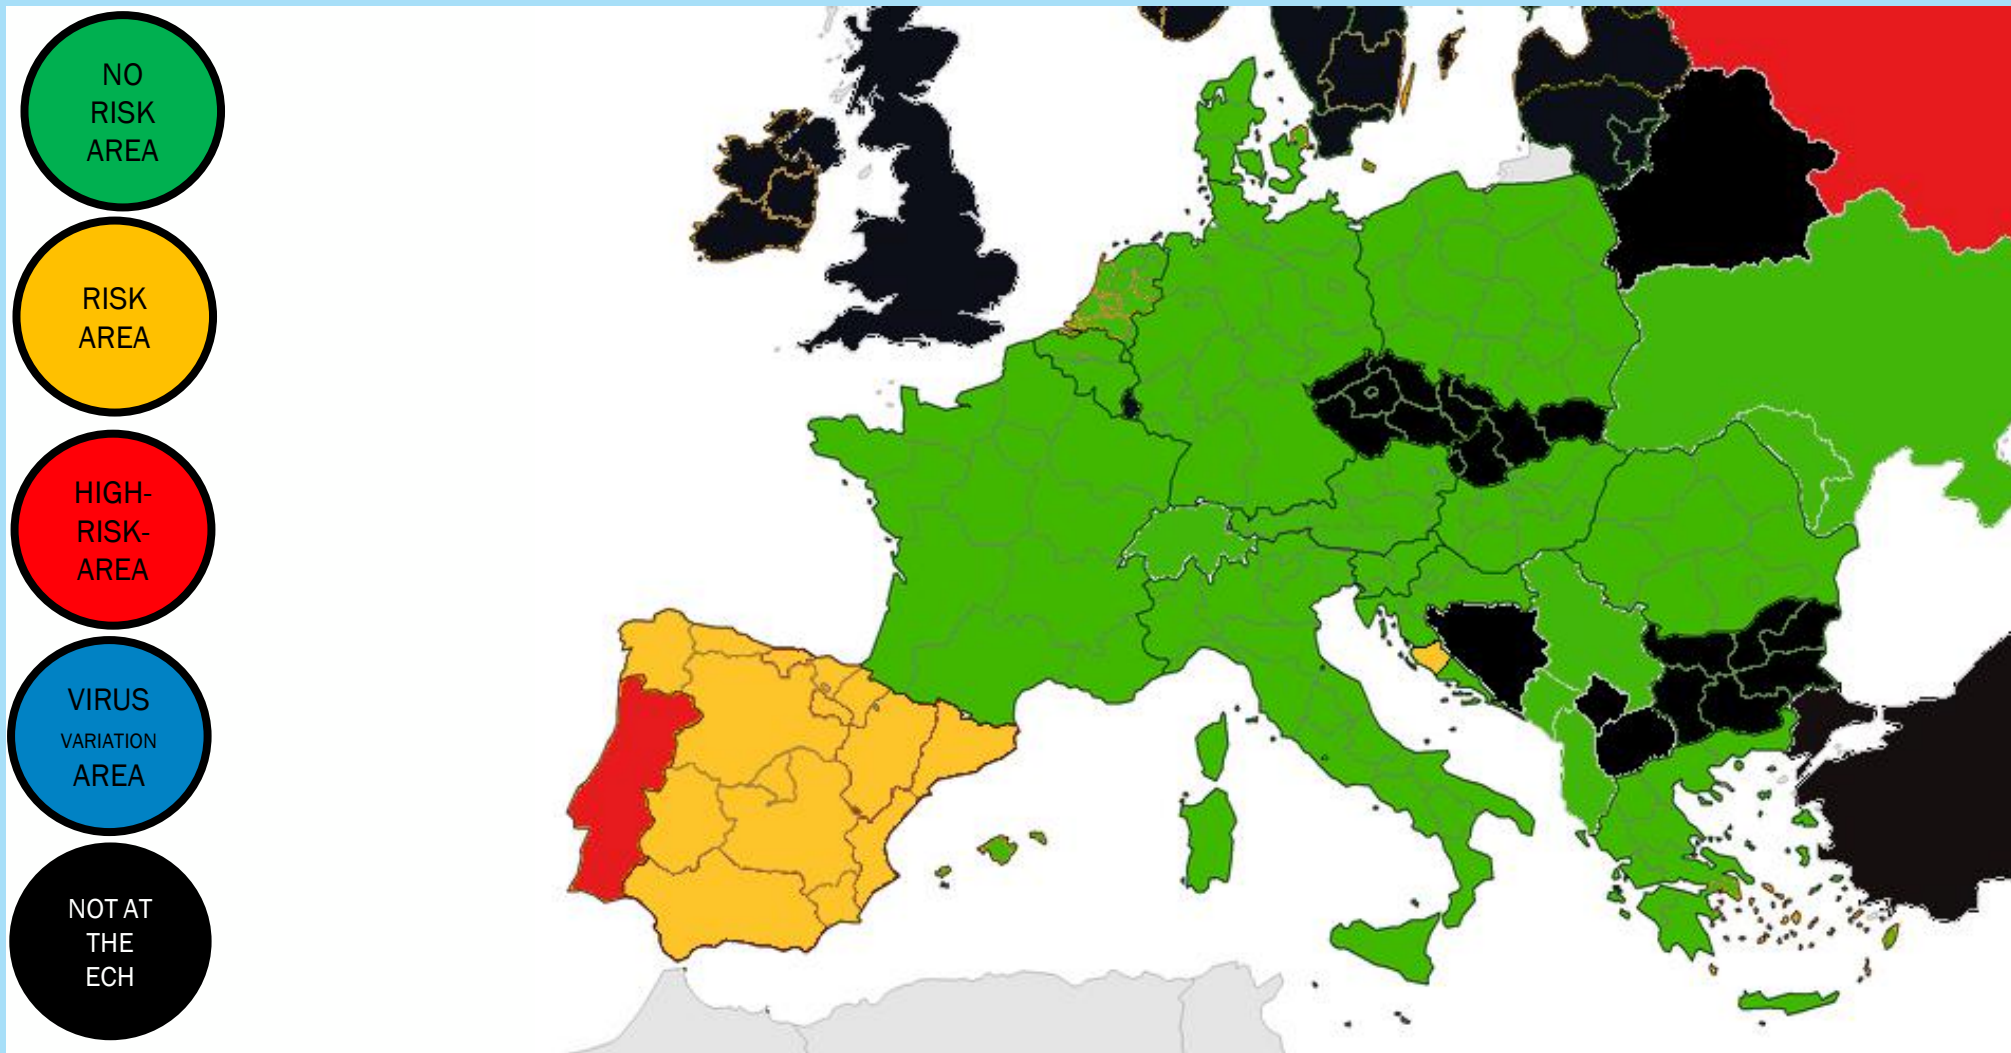

Check the status of you country of residence & places you have been in that last 14days!

<https://www.einreiseanmeldung.de/>

ENTERING GERMANY*

*today, 11 July 2021

ENTERING GERMANY

- Regions from ECh2021 participants classified as “no risk”:
 - Austria, Belgium, Croatia (except: Zadar), Denmark, France, Germany, Greece, Hungary, Israel, Italy, Moldova, Montenegro, Netherlands, Poland, Romania, Serbia, Slovenia, Switzerland, Ukraine

✓ No need to fill out <https://www.einreiseanmeldung.de/>

✓ Entering Germany via:

- ✓ Negative PCR test not older than 72hrs **OR**
- ✓ Negative antigen test not older than 48hrs **OR**
- ✓ Proof of recovery or vaccination

ENTERING GERMANY

- Regions from ECh2021 participants classified as “risk area”:
 - Croatia: Zadar 
 - Spain 
- ✓ Fill out <https://www.einreiseanmeldung.de/>
- ✓ For entering you need:
 - Negative PCR test (not older than 72hrs) **OR**
 - Negative antigen test (not older than 48hrs) **OR**
 - Prove of recovery or vaccination

ENTERING GERMANY

- Regions from ECh2021 participants classified as “high-risk area”:

- Russia 
- Portugal 

✓ Fill out <https://www.einreiseanmeldung.de/>

✓ For entering you need:

- Negative PCR test (not older than 72hrs) **OR**
- Negative antigen test (not older than 48hrs) **OR**
- Proof of recovery or vaccination

- Mandatory quarantine for 5 days

- Does not apply to vaccinated
- DJJV can issue a letter to avoid quarantine

ENTERING GERMANY

- Regions from participants classified as “virus variation area”:
 - NONE
- ✓ Fill out <https://www.einreiseanmeldung.de/>
- ✓ For entering you need:
 - Negative PCR test (not older than 72hrs) **OR**
 - Negative antigen test (not older than 48hrs) **OR**
 - Proof of recovery or vaccination
 - A letter from DJJV to prove your participation
- Mandatory quarantine for 14 days
 - Can be interrupted for the fights & weight-in
 - All meals in the room
 - No Sauna

REQUIREMENTS FOR TESTS AND PROOF OF VACCINATION OR RECOVERY

Information on proof of immunity is available on the [website of the Federal Ministry of Health](#).

In principle, the following forms of proof are accepted:

- **Proof of a negative test result:**

A negative test result obtained using nucleic acid amplification technology (e.g. PCR, PoC- PCR) in **German, English, French, Italian or Spanish**. The test must have been carried out no more than **72 hours** prior to entry (time of swabbing).

Alternatively, a negative **antigen rapid** test result in **German, English, French, Italian or Spanish**. The test must have been carried out no more than **48 hours** prior to entry. Details on the recognition of tests are provided on the [website of the Robert Koch Institute](#). https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Tests.html

- **Proof of vaccination:**

Proof of vaccination against COVID-19 in German, English, French, Italian or Spanish in digital or paper form (e.g. WHO vaccination booklet). The vaccine used must be one of those listed on the [website of the Paul-Ehrlich-Institut](#). (<https://www.pei.de/EN/medicinal-products/vaccines-human/covid-19/covid-19-node.html>) A period of at least **14 days** must have elapsed since receiving the last vaccine dose.

- **Proof of recovery:**

A positive PCR test result carried out at least 28 days but no more than six months previously.
