Candidature to the positions of 1st, 2nd and 3rd Vice-President of JJEU

Paris, September 16th 2021

Dear Presidents and Delegates of National Federations, Members of JJEU,

I hereby present to you my candidature for a position of Vice- President on the JJEU Board.

Please find attached my CV which summarizes my main achievements and contributions in Judo / Ju Jitsu, as a competitor in the French team, President of one of the most renowned club in France, and Member of the Board of my federation for almost 20 years, and as member of the JJEU Board for 13 years.

I really discovered the full richness of Ju-Jitsu when I was appointed Delegate of my Federation for Ju-Jitsu, alongside Eugène Domagata who was the Tehnical Head. In 1993 I became the General Secretary of JJEU and stayed in office until 2006 when I had to leave my position to pursue my professional career overseas as an expatriate. During these 15 years, I had the privilege to work with Luis Baguena the President, as well as Erik, Luc, Dario, and many others... with whom we started to give our Union robust administrative and technical structures. And before leaving, I suggested to Robert to replace me in the position of GS.

Ten years later, back in Europe and happily retired, I was proposed to represent my country again at the JJIF events. I am impressed to see how much our federation has moved forward, and I am obviously delighted to be able to meet again passionate friends around the competition mats.

If you trust me and with your support, I am ready to continue the task of developing Ju-Jitsu in Europe.

Yours Faithfully for the best of Ju-Jitsu
