### MOTIVATION AND KNOWLEDGE

I am the actual Treasurer of the JJEU (since June 2015). At first, I want to say thank you very much for your trust and support for the last few years. It was and is a pleasure to work with you (NF) and the JJEU board as a team. The results of our work are: We have some sponsorship for the JJEU; the number of participants at our Championships (before Covid-19) grew from year to year and we have run more tournaments in Europe.

I want to work in the JJEU Board for a good future of Ju-Jitsu in Europe and the World. That means that I will work in a team and create cooperation all over the world and develop our Ju-Jitsu sport with all its disciplines (Fighting, Duo and Ne-Waza). I want to work for a strong Europe in a strong Ju-Jitsu World. If we look at 2020 and 2021, under the leadership of JJEU, we were able to implement the first JJIF e-tournaments in Duo and Show.

I want to offer my experience for the Ju-Jitsu work, so that we can work in a team and keep on creating new ideas and projects to reach our targets. I have the necessary financial knowledge for the work as a Vice-President (Treasurer) with the tasks finance and marketing.

I am one of the Vice Presidents of the German Ju-Jitsu Association (Deutscher Ju-Jitsu Verband e.V. - DJJV). I work in the Board of the DJJV since 1997. The German Ju-Jitsu Association is organized in its 17 regional associations and has more than 50.000 active members in 1.000 clubs. The DJJV is member of the German Olympic Sports Confederation (NOC) (Deutsch Olympischer Sportbund DOSB). The DJJV was founded in 1990. I have the support of the German Ju-Jitsu Federation (DJJV). This support means as well to support Ju-Jitsu in total. The German Federation managed to step in during the crisis, so that we could have European Championships for the adults and for the youth. We will continue with our support.

I practice Budo since 1979. My budo sports are Ju-Jitsu, Ju-Jutsu, Judo and Karate. I started practicing Ju-Jutsu at the school of Sensei Heinz Lamade (10<sup>th</sup> Dan Ju-Jutsu). I worked over 10 years in the German Board together with Herbert Frese (former President of the DJJV and the JJEU). I am graded with the 7<sup>th</sup> Dan Ju-Jutsu. In the German Federation, I have the position as a Vice-President for more than 25 years. I am the leader of the Club Ju-Jutsu Philippsburg, which I founded 1986.

My profession is higher administrative official, and I work at the Court of Auditors! I have a Diploma of Administrative Management and a Master degree "Master of Arts" in European administrative management and law"

**Let's create the future together!**
